knit.purl ● fall/winter 2014

On the Cover: *Spiral Pullover*, page 17. Photography by Joe Hancock.

I'm in the process of moving. It's a strange process—going through my belongings, old files, bags of forgotten knitting projects (so many lost needles!)—and sorting and donating and rediscovering and packing and moving on, keeping the things of value and jettisoning the rest. As I review the material of my life over the last few years, I'm deciding what I love, and moving it to a new place, a new life, a new chapter. I am excited about the new house; it's bigger, in a quieter part of town, and has a pool. Yet with the same furniture and the same art on the walls, it will be a new version of home.

With this issue of the magazine, a similar process is happening with the *knit.wear* brand. We're discarding some older elements, but keeping the most important ones. With a special issue, we have the ability to experiment more than we can with regular publications. The *knit.wear* brand has been successful and well-received these past few years. But newsstand is a big part of our business, and changing up covers boosts newsstand sales. So, while keeping the same aesthetic and mission for the content, we've changed the name to *knit.purl* and updated the look of the cover. That's the only real change, outside the fact that each issue, each collection, is always somewhat different than the last.

I trust our diehard fans will stick with us through this change, and hope we'll pick up some new fans in the process! I'm excited to continue exploring innovative design and fresh aesthetics with our contributors. This issue packs a lot of intriguing knitwear, from the sleek and pretty (Photo Booth, pages 53–61) to the bulky and bold (Outerwear, pages 15–25). When it comes to bulky, we've got you covered: we profile several big-gauge yarns in Yarn Notebook (page 10); explore the fashion world with Jasmine Gonzalez, who had size 150 needles custom made for her runway knits (page 12); and just for the pure art of it, showcase some giant yarn and tools in Finishing (page 120).

The packaging has changed a bit, but at the end of the day, this magazine is all about clean, contemporary, intriguing knitwear. There is a space for this kind of knitting in our industry, and I'm thrilled to have been able to work on *knit.wear*, and now *knit.purl*. Stay with us and keep stitching.

❶ **Worsted-Weight Noro Kureyon** is available in a plethora of colorfully striped wool skeins. The woolly thickness makes this a wonderful yarn for the warm and cozy knits of fall and winter. Noro Kureyon yarn is distributed by Knitting Fever. [www.knittingfever.com](http://www.knittingfever.com) ❷ **Gina Chunky**, brand-new from **Plymouth Yarn**, is another yarn that speaks to cold-weather projects. The contrasting colors in one skein make a graphically interesting piece that reveals itself as you knit. [www.plymouthyarn.com](http://www.plymouthyarn.com) ❸ **Lofty Ombré Worsted** from **Freia Fibers** is a long-gradient yarn with some brand-new color combinations; a few of the oldies but goodies have a beautiful tie-dye effect. Find fabulous accompanying patterns on the Freia website. [www.freiafibers.com](http://www.freiafibers.com) ❹ **Twisted Fiber Art Self-Striping Yarn** comes in a fingering-weight, shorter-gradient skein. The weight and color, along with the superwash merino/cashmere/nylon softness make this yarn ideal for knitting simple yet beautiful socks. [www.twistedfiberart.com](http://www.twistedfiberart.com)

# The Bulk of It

by HANNAH BAKER

*Super-chunky knits are in. Start and finish cowls, scarves, and hats for fall quickly with these big yarns. And you'll find more chunky inspiration in this issue: see the runway garments by designer Jasmine Gonzalez on page 12 and giant knitting tools on page 120.*

## 1 Blue Sky Alpacas Bulky

*Appropriately named, Bulky yarn is exactly that. A blend of alpaca and wool lightly spun together, Bulky has a near-roving look and feel. This truly soft and bouncy yarn knits up into a full project before you can say "cowl." Beautifully rich hues, pastels, and neutrals bring basic stitch patterns to life.*

**CONTENT:** 50% alpaca, 50% wool **PUT-UP:** 45 yds [41 m]/3½ oz [100 g] **CONSTRUCTION:** Single-ply **CARE:** Handwash, dry flat; or dry clean **RECOMMENDED GAUGE:** 8 sts = 4" (10 cm) on size 15 (10 mm) needles

## 2 Knit Collage Sister Yarn

*Single-ply, thick-and-thin texture, and heathered tones give Sister Yarn from Knit Collage its unique character. This yarn creates a funky and fun fabric that varies in thickness. It's perfect for warm accessories with an effortless touch of sass. Worked with other adorned Knit Collage yarns or on its own—in even the simplest stitch patterns—it creates an intrinsically dramatic final piece.*

**CONTENT:** 100% wool **PUT-UP:** 100–110 yds [91–101 m]/7½ oz [215 g] **CONSTRUCTION:** Single-ply **CARE:** Handwash, dry flat **RECOMMENDED GAUGE:** 2.5–3.5 sts per inch (2.5 cm) on size 11–19 (8–15.5 mm) needles

## 3 Manos del Uruguay Franca, distributed by Fairmount Fibers

*Brand-new super-bulky Franca is the latest single-ply merino from Manos del Uruguay. The watercolor-inspired skeins are reminiscent of land, sea, and sky, and they have easy-washing appeal thanks to the superwash merino content.*

**CONTENT:** 100% superwash merino **PUT-UP:** 114 yds [105 m]/5¾ oz [150 g] **CONSTRUCTION:** Single-ply **CARE:** Machine wash or handwash in cool water, dry flat **RECOMMENDED GAUGE:** 10 sts = 4" (10 cm) on size 13–15 (9–10 mm) needles

## 4 Brown Sheep Company Burly Spun

*Burly Spun comes in more than forty colorways—perfect for the gift-giver seeking just the right color for a special project. Wool makes this yarn a great option for needle-felted embellishments. One skein yields enough yarn to knit up a full hat or cowl, or you can grab a few extras and churn out a super-cozy sweater.*

**CONTENT:** 100% wool **PUT-UP:** 132 yds [121 m]/8 oz [227 g] **CONSTRUCTION:** Single-ply **CARE:** Not specified **RECOMMENDED GAUGE:** 10 sts = 4" (10 cm) on size 13 (9 mm) needles

## 5 HiKoo Zumie, distributed by Skacel

*Zoom, zoom, Zumie right along with bright colors and a softly sturdy fiber. With a one-skein pattern printed on each ball band, this yarn is a kit in itself. The fiber contents of Zumie lend themselves to easy care and to durable, next-to-the-skin wear.*

**CONTENT:** 50% acrylic, 30% wool, 20% nylon **PUT-UP:** 110 yds [101 m]/7 oz [200 g] **CONSTRUCTION:** Single-ply **CARE:** Handwash, dry flat **RECOMMENDED GAUGE:** 2–2.5 sts per inch on size 13 (9 mm) needles

## 6 Loopy Mango Big Loop Merino

*Big Loop Merino is truly a unique yarn. Seemingly larger than life, the single-ply knits up into anything instantaneously on size 50 needles. The gauge of this yarn is a game-changer, allowing for quick big knits, such as blankets or cushions, or smaller but seriously chunky hats and cowls.*

**CONTENT:** 100% merino **PUT-UP:** 120 yds [110 m]/40 oz [1134 g] **CONSTRUCTION:** Single-ply **CARE:** Dry clean **RECOMMENDED NEEDLE:** size 50 (25 mm)

# Fashion on Size 150s:

Jasmine Gonzalez's Race to New York Fashion Week

BY ROBIN SHROYER

PHOTO BY BOB TOY

*Just minutes before 8 p.m., Jasmine Gonzalez stood backstage at the Lincoln Center in Manhattan's Upper West Side. Though she was a country away from her San Francisco residence and a bit frantic, she felt completely at home in the New York chaos. This was it. Ten months of work and thousands of hours on her designs would all be marching rhythmically in tandem down a runway in under two minutes flat. Jasmine quickly looked over the models who were presenting the sixteen pieces of her Future History collection—a combination of handknits and sewn designs meant to represent the idea of global cultures fusing into one. It was go time.*

For nine years and sixteen shows, San Francisco's Academy of Art University has brought its top design students to Mercedes-Benz Fashion Week (aka New York Fashion Week), giving them a momentary taste of what their future could look like. The twice-yearly weeklong celebration of fashion has been the catalyst to many designers' careers, and this year, eight students hoped it would be theirs. Jasmine was one of them.

Jasmine hadn't always had the easiest time with knitting. Growing up in San Jose, California, she spent her childhood admiring her grandmother, or *abuelita*, as she toiled away on the couch, crocheting one project after another. She was drawn to the beauty in Abuelita's work, and yearned to learn her grandmother's skills, but her

excited cries of "teach me, teach me" ended in repeatedly dropped stitches and the defeat of magic lost in translation. To Jasmine, Abuelita was always a graceful artist with a talent that Jasmine didn't possess.

Despite Jasmine's inability to grasp the art of handcrafts, she continued to admire Abuelita's designs, and through that interest, developed a strong affinity for fashion. As she grew older, she decided to parlay her passion into a merchandising program at San Francisco State University, where she would learn the fundamentals of shop ownership. However, it wasn't long before a friend urged her to consider the design program. Armed with memories of Abuelita's talent, she decided to give it a go.

It took two years, excellent teach-

ers, and abundant tears, but Jasmine was able to master sewing. By her senior year, she entered the San Francisco State University fashion show and took first place. At that moment, she realized that she, too, despite years of doubt, possessed much of her beloved grandmother's talent.

She graduated in 2009 and entered an MFA program at the Academy of Art University as the only double major: knitwear and design. There, her knitting skills bore fruit. "I had initially learned how to knit on a machine. It was daunting to not really understand the stitches," Jasmine said. "It wasn't until I picked up books on how to create knitwear by hand that I understood what you could really do." She started trying stitch patterns to see how they took form and asked

every question she could along the way, leaving no teacher's or yarn shop owner's knowledge untapped. And that's when she fell in love with knitting; she could make a scarf, anything, anywhere she went. "It's just on-the-go design!"

Propelled by her interest, Jasmine excelled in the MFA program, and as her final year approached, she was invited to take the option of creating a collection, a highly esteemed opportunity offered to few students. Although most students choose the portfolio option, creating a collection meant Jasmine would have the chance to be in the running to show at New York Fashion Week.

To be ready in time, Jasmine began work in May 2013. She spent her summer making knitwear samples and dreaming up the details of what would become *Future History*—a collection that drew inspiration from Russian, Indian, Celtic, and Inuit cultures and was based upon the question: what if one day, all cultures were combined? The early pieces showed that the collection would be dramatically influenced by proportion, taking a bold yet intricate approach that she derived from the look of Russian Fabergé eggs.

RUNWAY PHOTOS BY RANDY BROOKE, WIRE IMAGE

However, the real work began as autumn arrived. Jasmine had to prove that she wanted this opportunity, that this dream was important to her. Doing so meant being in the studio day in and day out, working long hours, re-draping and reknitting the same design over and over again. Each week, the students in the collection running had to present their work, and each week the nerves mounted, because just like a real life *Project Runway*, any one of them could be out. Fall turned to winter, and more students were dropping out, some from the pressure and others because they didn't make the cut. Yet Jasmine held on.

The use of Fabergé eggs as inspiration pushed Jasmine to create oversized sweaters adorned in dominant cables and exaggerated collars. But in order to achieve the look she wanted, she needed a big yarn, a yarn that would greatly surpass bulky or chunky. In fact, she needed a yarn that measured half an inch in diameter; the only way to actualize the desired look was to make the yarn herself.

To do so, Jasmine tore velvet into bias strips and combined them on her machine to create a yarn that could only be worked on size 150 needles. Resembling stakes, the knitting needles proved difficult to handle, and she could only use them in 45-minute spurts lest her arms give out. But the handmade, oversized needles weren't her only problem. The

sixteen-piece collection, consisting of six handknits and ten sewn pieces, was costing her more and more. Each remake was adding up, and she knew she would need help to achieve her goal. Jasmine turned to Kickstarter, an online crowdfunding platform that helps bring creative projects to life.

Jasmine needed an additional \$8,500 to complete her project, so she set up a campaign and devised incentives for contributors based on donation amounts. With the help of friends, family, and social media, she was able to hit her goal.

By the time her Kickstarter campaign ended, New York Fashion Week was less than a month away. The original group of designers had been whittled to thirteen, yet only eight could go. The chance that all of her work could have been for nothing was still a very real fear, but Jasmine didn't let that get in her way. She kept a blanket Abuelita had made in the studio to motivate her. And it all proved to be worth it when she learned she had made the final list.

Jasmine and the seven other designers packed up their pieces and flew to New York in early February. While the floor of the San Francisco studio now lay empty, there were models to meet with, alterations to complete, and hair and makeup decisions to be made.

The students were exhausted, but entirely swept away in the magic of it all. February 7 at 8 p.m. couldn't come soon enough. Then, there it was.

Jasmine stood backstage, nervously working with the dressers. She stared at every detail as the models lined up, relishing the results of the months of work that had gone into this one moment, and then out they went, the first model, the second, and so on. "I'm not a mother, but I felt like one, thinking, 'Here's my baby. There she is for the world to see.'"

Jasmine was the second-to-last student to present, and the only one who had paired knitwear and sewn designs. She took the stage moments after her designs had, walking the same path, and she was met by an enthusiastic crowd. *She had done it.*

After the show, tears marked Jasmine's face as she swallowed the feeling of relief, satisfaction, and success. Although the show had ended, this was simply the beginning. Unfortunately, Jasmine's grandmother had passed away in October 2013, five months before Jasmine's New York design debut.

Jasmine Gonzalez has since graduated with a MFA in knitwear and design and has been working with Anthropologie on a project for the sweaters team.

### NOTES

- This pullover is worked in the round from the top down with yoke shaping. The sleeves are worked in the round from the top down.
- In the Swirl pattern, the six-stitch pattern repeat will not end at the round marker at the same place on every round; rather, one round will "merge" into another to create the swirl effect.

The change in stitch count through the yoke and body shaping causes the swirl to change direction.

- When shaping the yoke, change to longer circular needle when necessary.

### Yoke

**COLLAR:** With 16" cir needle, CO 41 (41, 47, 47) sts. Place marker (pm) and join in the rnd. ## Finishing

**Chelsea Bearfoot** designed this cowl during her first winter in Minnesota. Despite her best hopes, the cowl hasn't made the winters any easier. But at least now she has more excuses to buy yarn.

## ❗ customize it

Tripling the cast-on (by casting on 324 stitches) will result in a cowl with a circumference of 68¼", which will make it possible to double-wrap the cowl. Make sure to purchase additional skeins of yarn.

- The body of this coat is worked back and forth in one piece from the lower edge to the underarms, then the fronts and back are worked separately to the shoulders. Stitches for the sleeves are picked up around the armhole edge and the sleeves are worked in the round from the top down.
- A circular needle is used to accommodate the large number of stitches.

## NOTES

- The body of this cardigan is worked back and forth in one piece to the underarms, with bobbins used for the vertical strips. The fronts and back are worked separately above the underarms. The sleeves are worked in the round from the bottom up with the sleeve caps worked flat.
- When working the lattice-work section on the body, be careful not to twist or cross yarns between bobbins when switching to a new 12-stitch section. There must be a vertical slit between each section to allow the CC strips to be woven in later. After the strips are woven in, they are sewn in place at the front edges only. When the front band stitches are picked up, pick up through both layers (body and strip).
- A circular needle is used to accommodate the large number of stitches.

## Finishing

With RS tog, join shoulders using three-needle BO. Block all pieces to measurements (including strips). Weave CC strips horizontally through lattice holes of body, alternating placement as shown in photo, and sew in place at front edges. **NOTE:** For sizes 48 and  $53\frac{1}{4}$ ", when strips are woven through, each strip will be on top layer at one front edge and on bottom layer at other front edge, because of the even number of bobbins. **SHAWL COLLAR:** With MC and smaller cir needle, beg at lower right front edge and pick up and knit 64 (66, 68, 68, 70) sts to first neck dec (see Notes), 30 (33, 36, 39, 42) sts along right front neck edge, 30 (32, 34, 36, 38) sts along back neck, 30 (33, 36,

39, 42) sts along left front neck edge, then 64 (66, 68, 68, 70) sts to bottom edge of left front—218 (230, 242, 250, 262) sts total. **NEXT ROW** (WS) \*P2, k2; rep from \* to last 2 sts, p2. Cont in rib patt for 5 more rows. Change to larger needle. Work 6 rows in patt. Change to CC. Work 2 rows in patt. Break CC. With MC, work 4 rows in patt. **NEXT ROW** (WS) BO 75 (77, 79, 79, 81) sts, work 68 (76, 84, 92, 100) sts, join new ball of yarn and BO 75 (77, 79, 79, 81) sts. Return to rem sts ready to work a RS row. Dec 1 st at beg of next 2 rows—66 (74, 82, 90, 98) sts rem. BO all sts in patt. Sew in sleeves. Weave in ends.

## Cocoon Shrug

NANCY RICCI

**FINISHED SIZE** 40 (44, 48)" wide from cuff-to-cuff and 28 (32, 36)" high. Shrug shown measures 40".

**YARN** Brown Sheep Company Lamb's Pride Bulky (85% wool, 15% mohair; 125 yd [114 m]/4 oz [113 g]): #M-07 sable, 8 (10, 11) balls.

**NEEDLES** Size 13 (9 mm): straight. Size 15 (10 mm): 24" circular (cir). Adjust needle size if necessary to obtain the correct gauge.

**NOTIONS** Removable marker (m); tapes-tray needle.

**GAUGE** 10 sts and 15 rows = 4" in Spot st on larger needle; 10 sts and 14 rows = 4" in St st on smaller needles.

❗ See the Glossary on page 116 for terms you don't know. For our master glossary, visit [KnittingDaily.com/glossary](http://KnittingDaily.com/glossary).

## NOTES

- This shrug consists of three separate rectangles, each worked flat. One large rectangle forms the main body and two smaller rectangles form the collar.
- A circular needle is used to accommodate the large number of stitches on the body.

## STITCH GUIDE

**SPOT STITCH:** (even number of sts)

**ROW 1** (WS) \*K1, p1; rep from \* to end.

**ROW 2** (RS) Knit.

**ROW 3** \*P1, k1; rep from \* to end.

**ROW 4** Knit.

Rep Rows 1–4 for patt.

## Body

With larger needle, CO 70 (80, 90) sts. Do not join. Work in Spot st (see Stitch Guide) until piece measures 40 (44, 48)" from CO, ending with a WS row. BO all sts.

## Collar (make 2)

With smaller needles, CO 28 (30, 30) sts. Work in St st until piece measures 32 (34, 36)" from CO, ending with a WS row. BO all sts.

## Finishing

Weave in ends. Block pieces to measurements. Assemble according to diagrams as foll: Lay main body rectangle flat with WS facing up and CO edge at left. Fold 2 corners of CO edge toward each other and sew seam, leaving a 5" opening for cuff. Fold and seam BO edge in same way. Place removable m in middle of neck opening. Pin one collar rectangle along left half of back neck and down left front edge, with RS of collar facing RS of shrug. Sew in place. Pin other

collar rectangle along right half of back neck and down right front edge. Sew in place. Sew collar rectangles tog at center back neck. Fold collar in half with knit side facing out. Beg at center back neck, seam right neck collar into previous seam edge. Seam left neck collar into previous seam edge in same way.

VERA SANON

**FINISHED SIZE** 30 (33, 37½, 42½)" bust circumference. Pullover shown measures 30", modeled with 3" of negative ease.

**YARN** Cascade Yarns Venezia Worsted (70% merino wool, 30% silk; 219 yd [200 m]/3½ oz [100 g]): #101 white heaven, 7 (9, 10, 12) skeins.

**NEEDLES** Lower rib and neckband—sizes 1 (2.25 mm) and 5 (3.75 mm): straight and 16" circular (cir). Body—size 7 (4.5 mm). Adjust needle size if necessary to obtain the correct gauge.

**NOTIONS** Markers (m); stitch holders; cable needle (cn); tapestry needle.

**GAUGE** 21 sts and 42 rows = 4" in Half-Fisherman st on largest needles.

❗ See the Glossary on page 116 for terms you don't know. For our master glossary, visit [KnittingDaily.com/glossary](http://KnittingDaily.com/glossary).

## NOTES

➤ This pullover is worked back and forth in pieces and seamed. The neck rib is worked in the round. The side rib panels are worked back and forth in rows after the body is sewn together.

➤ In Half-Fisherman Stitch, there is one visible row for every two rows worked.

➤ The smallest size needle is used to pick up stitches around the neckband and the bottom side rib. Using a small needle ensures that the picked-up stitches look smooth and even.

## Chevron Cardigan

MICHELE WANG

**FINISHED SIZE** 34½ (36¾, 39¾, 42½, 44½, 47½)" bust circumference, buttoned (see Notes). Cardigan shown measures 36¾", modeled with 2¾" of positive ease.

**YARN** Quince & Co. Puffin (100% American wool; 112 yd [102 m]/3½ oz [100 g]): Iceland, 8 (8, 9, 10, 10, 11) skeins.

**NEEDLES** Size 11 (8 mm): straight and 40" circular (cir). Buttonhole—size 9 (5.5 mm): one double-pointed (dpn). Adjust needle size if necessary to obtain the correct gauge.

**NOTIONS** Stitch holders; size I/9 (5.5 mm) crochet hook; three 1½" buttons; tapestry needle.

**GAUGE** 12 sts and 18 rows = 4" in Chevron patt on larger needle.

! See the Glossary on page 116 for terms you don't know. For our master glossary, visit [KnittingDaily.com/glossary](http://KnittingDaily.com/glossary).

### NOTES

- This cardigan is worked back and forth in separate pieces and seamed.
- When the cardigan is buttoned, the width across the front is about 3½ (3¾, 3¾, 3½, 4, 4)" less than the width of the back.
- Garter stitch selvages are used throughout.
- A circular needle is used to accommodate the large number of stitches.
- For a video demonstration of the tulip buttonhole, go to: <http://www.knittingdaily.com/blogs/daily/archive/2010/05/31/a-better-buttonhole.aspx>

COURTESY OF JOHN BRINEGAR

## John Brinegar & the Acros Collection

*This fall, knitwear designer and artist John Brinegar launches a new pattern collection—in a new way. His ten-piece Acros collection is not compiled in a book or series of patterns, but released as a beautifully produced fashion video. Some of the patterns will be available through John's Ravelry store, and two of them are exclusively available in this issue of knit.purl. The video is a unique, conceptual journey through stitch, silhouette, and fantasy—all inspired by acrobats, the theater, and circus arts.*

"I watch a lot of fashion videos—catwalk footage—and I thought 'the knitting world should have this too!' I wanted the pieces to tell a story and develop more of a 'voice' than a two-dimensional image on a page can," John explains.

For this collection, John approached Tahki-Stacy Charles Inc. and asked the team if it would be interested in this special project. The company was eager to contribute, and all of the yarns used in the final pieces are from the company's four lines. "In my days working in yarn stores in New York City, I loved being around so many different types of yarn, fiber, and color. TSC Yarns is like a big happy yarn store. There is so much variety and workability," he enthuses.

The Acros collection takes on feminine whimsy, and the full garments reflect an aesthetic that shifts in and out of wearability. Not all of the designs will have patterns available for knitters—and that's intentional. He says, "The most gratifying response to my work is when people say 'I may never make that—but I appreciate the artistry.'" John has produced two other knitted-art collections, which you can see on his website.

John is a prolific designer in the yarn industry. He has worked in the garment industry in New York and with celebrities. His website is [www.taintedwool.com](http://www.taintedwool.com), and you can find him on Ravelry as knitboy1.

Find the full collection and video on the Filatura di Crosa Yarns YouTube channel.

## *Tuxedo Trapp*

The body of this long vest is worked in three pieces in an airy cashmere, then joined with exposed seams. A separate brioche collar is sewn to the finished body.

**JOHN BRINEGAR. INSTRUCTIONS** page 44.

**YARN** TSCArtyarns Tranquility, distributed by Tahki-Stacy Charles Inc.

## *Bio Palm*

The body of this vest is composed of two pieces: a long semicircular strip, which makes up the collar and the front body, and a shaped center back piece. After the collar and back are sewn together, the back of each sleeve is knitted separately and sewn on, then stitches are picked up around the front armholes to complete the sleeves. **JOHN BRINEGAR. INSTRUCTIONS** page 46. **YARN** Filatura di Crosa Zara Plus, distributed by Tahki-Stacy Charles Inc.

## Tuxedo Trapp

## Assembly

Fold collar/front of body piece in half and place removable m at center point of longer edge. Holding piece with RS facing, shorter edge on top and longer edge (with center m) on bottom, count 9 purl welts to right of center m and pm on longer edge on last row of purl welt. Referring to assembly diagrams, arrange collar into a loop, lapping left collar over right collar, with bottom ends folded back so they meet at center back. Using mattress st, seam inside edges of collar piece tog at center back for about 11 3/4", then gently pull on seaming yarn to gather until seam measures about 5". Fasten off securely. Matching removable m at center of collar to center back of back piece, sew top edge of back piece to collar. On collar, place removable m 4 1/2 (5, 5 1/2)" up from gathered seam on each side. Sew bottom point of back piece to marked-off area on each side, easing back piece to fit. On front, beg at underarm, sew shorter edge of left collar to right collar for 4", aligning edge of left collar with bottom of marked purl welt on right collar. Sew longer edge of left collar to right collar across full width of strip, aligning edge of left collar with a purlled welt on right collar.

# Make Your Yarn BIGGER with Navajo Three-Ply Knitting

MICHELLE HUNTER

*During the Great Depression, my grandmother lacked the luxury of a large yarn stash. With little money and no shops in her small coal mining town, she often resorted to creative tactics to add variety to her limited yarn resources. Because tatting was popular at the time, peddlers commonly traveled through her town with only fine-weight yarn in their wares. Needing a thicker yarn to knit sweaters for her family, Grandma solved the problem by transforming laceweight yarn into worsted-weight yarn. She simply looped fine yarn in a crochetlike chain to produce her own thick yarn. Today, this method of triple plying yarn is known as Navajo knitting.*

Navajo knitting is adapted from the spinning technique called Navajo plying, and both are often referred to as chain plying. In Navajo knitting, one skein is triple plied through a series of chained loops to create a thicker and stronger yarn. The more common way to knit with three strands involves juggling three separate balls, leaving a mass of tails to weave in later. Chain plying cleverly uses one ball of yarn, and with a few folds and loops, magically produces a bulkier, three-stranded ply without breaking or dividing the skein. It's simple, fast, and quite addictive!

With all of the yarn resources available to today's knitters, why create new fiber with Navajo knitting? Obviously, it's a great stash buster! Imagine being able to turn that cone of laceweight yarn languishing in your stash into a fast-knitting worsted-weight yarn. Can't find a bulky yarn for a chunky-knit pattern? Not a problem! Instantly turn stashed bags of worsted-weight yarn into the needed bulky weight. Old yarns become new fibers with exciting potential.

## Navajo Knitting: Step by Step

- ➊ Start with a large slipknot held in the left hand, keeping a firm grip on the knot itself. Place the slipknot's loop in front of the working yarn (strand coming off of skein).
- ➋ Reach the right hand inside the loop and draw the working yarn through the slipknot to create a new loop about 18 inches (45.5 cm) in

length. This new loop is a doubled piece of yarn with a fold at its right-hand end.

➌ Hold the new loop together with the working yarn and smooth out its length. This chained loop united with the single strand of working yarn produces the Navajo-plied fiber. Careful examination of the loops reveals one strand of yarn tripled upon itself on each side of the original loop.

➍ Continue to triple-ply more yarn by reaching into the last loop and drawing through a new loop.

It is, of course, possible to chain-ply an entire skein before knitting, transforming the yardage into a new triple-strand skein. However, doing so is a time-consuming effort that's wasteful if you chain more yarn than necessary. The good news is that the process of Navajo knitting allows the yarn to be plied on demand. Knit until the 18" (45.5 cm) triple-ply section runs out, then ply another 18" (45.5 cm).

## Experiment!

Before knitting, choose a needle size appropriate to the new heavier weight. Generally speaking, when yarn is triple plied, use the following size needles:

- laceweight = worsted/ use size 8 (5 mm)
- fingering weight = Aran/ use size 8–10 (5–6 mm)
- worsted weight = bulky/ use size 11+ (8 mm+)

Begin by working a swatch in the plied fiber to assess the new yarn's gauge and characteristics. Ply just enough yarn to cast on the desired number of stitches for an ample-sized swatch. Note that each stitch yields three strands of yarn on the needle. Work in a simple stockinette or garter stitch to become comfortable with the technique, plying more yarn as needed. As the sample grows, the beauty of the new yarn emerges—often a denser, softer version of the original skein. You may notice slight bumps in your swatch at the junctures where the loops are joined. These small “blips” add a unique textural aspect to the newly created fiber and are largely undetected in the finished piece. An entire garment may be knitted with Navajo-plied yarn for a thick and rich fabric, but remember that this method uses three times the yardage of single stranded yarn, so plan accordingly.

## Beyond the Basics

5 The most interesting aspect of Navajo knitting is that it gives you the ability to transition from triple-ply to single-ply yarn and back again without dividing the skein or breaking the yarn. To provide stability for the lower edge of a piece, start by working the desired number of rows in triple-plied yarn. Work the final row of triple-ply yarn, manipulating the size of the chained loops to end the row with a very small loop. Turn the work.

6 Place the small remaining loop next to the first stitch on the left-hand needle. Notice that the working yarn has returned to single ply. Work this small loop together with the first stitch on the left hand needle to secure the loop. Continue the work for the desired number of rows using the single-ply yarn with the same size needle.

7 To return to Navajo knitting, pinch the single strand into a fold about 18 inches (45.5 cm) from the end of the needle.

8 Lay the pinched fold on top of the working yarn where it meets the first stitch on the left-hand needle.

9 Reach into the fold and pull through a tiny loop of the working yarn.

10 Place this new loop on the left-hand needle—there are now three strands of yarn dangling from the needle. Work the loop together with the first stitch holding the three strands together. Voilà! The yarn is back to three strands and you're Navajo knitting again!

## Design Possibilities

Although there are no specific stitch patterns for Navajo knitting, it's delightfully easy to formulate your own. All you need is a little imagination and perhaps a stitch dictionary as a reference.

The simplest design option is to alternate striped bands of triple- and single-ply yarns to create a fabric comprised of opaque and sheer stripes. Take it a step further and spice up these

For a video tutorial, visit [www.knitpurlhunter.com/blog/?p=1320](http://www.knitpurlhunter.com/blog/?p=1320).

## TIPS

⌚ When you work with high-yardage laceweight skeins, work from the outside of the ball to minimize tangles and added twists.

⌚ With triple-plied yarn, conserve your yarn by casting on using the cable method. There's no lengthy tail to calculate.

⌚ The changes in gauge between plied areas can be largely corrected with blocking. However, consider leaving the undulating edges intact for a unique design element.

stripes with alternating stitch patterns for more contrast and interest. For example, swaths of triple-ply garter stitch pop when nestled between rows of single-ply stockinette (see **Swatch 1**). For more visual impact, try varying the widths of the bands. Roll the dice and stripe Vegas-style by letting the dots dictate the number of rows worked in each ply. For a more ordered design, try a sequence of Fibonacci-inspired rows.

Elevate a simple allover lace pattern into a fascinating fabric by inserting triple-plied rows at regular intervals. The result is a stripe-infused lace fabric full of subtle undertones. The four-row Vertical Lace Trellis pattern is converted by changing plies every eight rows (see **Swatch 2**).

Ripple and chevron patterns translate easily into plied stitchwork. The waves and peaks indicative of these designs are further enhanced when the plies are rotated. In the classic Weltered Stripes pattern, the garter-stitch rows are worked in triple-ply yarn to accentuate the curves (see **Swatch 3**).

Two-colored stitch patterns are simple to adapt to Navajo knitting. Substitute triple-plied rows for one of the colors, and a completely new design is born using just one skein of yarn. To showcase the varying plies, look for patterns that feature several rows for each color. Swatch a sample to decide which color is best replaced by the tripled yarn. In the Hexagon pattern (see **Swatch 4**), the triple-plied stitches are slipped for several rows, helping to mask the single ply floats on the wrong side, thus lending an embossed quality to the fabric.

### The Ply Is the Limit!

Whether I'm using Navajo knitting to spruce up an existing pattern or to develop a new one, I love knowing that our ancestors have given us a technique that continues to inspire us. It's just a bonus that this stash-busting inheritance leaves us with room for more yarn!

#### SWATCH #1

(any number of sts)

Work 8 rows in garter stitch, triple plied.

Work 6 rows in stockinette stitch, single ply.

Repeat this sequence to desired length, ending with 8 rows in garter stitch, triple plied.

#### SWATCH #2

**VERTICAL LACE TRELLIS:** (odd number of sts)

**ROW 1** (WS) Purl.

**ROW 2** K1, \*yo, k2tog; rep from \* to end.

**ROW 3** Purl.

**ROW 4** \*Ssk, yo; rep from \* to last st, k1.

Work Rows 1–4 two times in triple-plied yarn. Next, work Rows 1–4 two times in single-ply yarn. Repeat this sequence until you reach the desired length.

#### SWATCH #3

**WELTED STRIPES:** (multiple of 11 sts)

With triple-plied yarn:

**ROWS 1–5** Knit.

With single-ply yarn:

**ROW 6** (RS) \*K2tog, k2, [k1f&b] twice, k3, ssk; rep from \* to end.

**ROW 7** Purl.

**ROWS 8–11** Repeat rows 6 and 7 twice.

With triple-plied yarn:

**ROW 12** Repeat Row 6.

Repeat Rows 1–12 to desired length, ending with Row 5.

#### SWATCH #4

**HEXAGON PATTERN:** (multiple of 8 sts + 6)

With triple-plied yarn:

**ROWS 1–4** Knit.

With single-ply yarn:

**ROW 5** (RS) K2, \*sl 2 pwise wyb, k6; rep from \* to last 4 sts, sl 2 pwise wyb, k2.

**ROW 6** P2, \*sl 2 pwise wyf, p6; rep from \* to last 4 sts, sl 2 pwise wyf, p2.

**ROWS 7–10** Rep Rows 5 and 6 twice.

With triple-plied yarn:

**ROWS 11–14** Knit.

With single-ply yarn:

**ROW 15** K6, \*sl 2 pwise wyb, k6; rep from \* to end.

**ROW 16** P6, \*sl 2 pwise wyf, p6; rep from \* to end.

**ROWS 17–20** Rep Rows 15 and 16 twice.

Repeat Rows 1–20 to desired length, ending with Row 4.

### NOTES

• This oversize dolman-style pullover is worked flat in two pieces from the bottom up. The back is slightly longer than the front, with the bottom hems left unseamed to create side vents.

• The Navajo knitting technique (see the article on page 50) is used to triple-ply the lace-weight yarn. The Seed stitch sections of the Stripe pattern are worked using triple-ply yarn for opaque stripes and the Stockinette stitch sections are worked using single-ply yarn for sheer stripes.

### NOTES

- The back of this vest is worked back and forth from the bottom up. Each front is worked in a semi-circular fashion, beginning at the lower corner, with stitches cast on gradually to create the curved edge and v-neck. The yoke section is worked side-to-side at the same time as the lower section is worked from the hem to the underarm; the sections converge at the underarm.
- Use the backward-loop cast-on method and the sloped bind-off method (see Stitch Guide) throughout.

proceeding. Place removable m around center 32 (34, 34, 36, 38) sl sts at back neck. With size 4 (3.5 mm) needle and RS of garment facing, pick up and knit 32 (34, 34, 36, 38) sts between m, turn. **NEXT ROW** (RS of collar; WS of garment) Work in Linen st (see Stitch Guide) to end, pick up and knit 2 sts, inserting needle from back to front so that selvedge edge will be on WS of garment—2 sts added. **NEXT ROW** (WS) Work in patt to end, pick up and knit 2 sts (inserting needle from front to back in the usual way)—2 sts added. Rep last 2 rows 18 (20, 20, 22, 22) more times, working new sts into patt—108 (118, 118, 128, 130) sts. **At the same time**, change needle sizes as foll: change to size 5 (3.75 mm) needle when collar measures ½" from back neck, then every 1" thereafter, change to size 6 (4 mm) needle, then size 7 (4.5 mm) needle, then size 8 (5 mm) needle, then size 9 (5.5 mm) needle. **NEXT ROW** (RS) Work in patt to end, pick up and knit 1 st—1 st added. **NEXT ROW** (WS) Work in patt to end, pick up and knit 1 st—1 st added. Rep last 2 rows 17 (18, 18, 19, 19) more times, ending at removable m on each front—144 (156, 156, 168, 170) sts. BO all sts as foll: Knit into slipped sts and purl into knit sts, but when bringing yarn between knit and purl sts, do not bring it between the needles in the usual way: after a purl st and before a knit st, bring the yarn counter clockwise behind the right needle to the back of the work; after a knit st and before a purl st, bring the yarn clockwise behind the right needle to the front of the work. BO sts as usual by passing 2nd st on right needle over first st. **CURVED HEM EDGING:** With size 6 (4 mm) needle, RS of garment facing, beg at removable m on left front, and working into each crocheted sl st, pick up and knit 86 (96, 101, 108, 113) sts around left front edge, 110 (124, 130, 138, 152) sts along lower back edge, and 86 (96, 101, 108, 113) sts around right front edge, ending at removable m—282 (316, 332, 354, 378) sts. BO all sts kwise on WS. **LEFT ARMHOLE EDGING: NOTE:** Read through the foll section before proceeding. With size 6 (4 mm) needle, RS of garment facing, and counting from

side seam, skip first 22 (22, 22, 24, 25) sl sts, working into each crocheted sl st, pick up and knit 31 (36, 36, 41, 41) sts up front armhole to shoulder seam, and 33 (38, 38, 43, 43) sts down back armhole, leaving 22 (22, 22, 24, 25) sl sts unworked at end, turn—64 (74, 74, 84, 84) sts. **NEXT ROW** (WS) Beg Linen st with a WS row, work in patt to end, pick up and knit 5 sts, inserting needle from back to front so that selvedge edge will be on WS of garment—5 sts added. **NEXT ROW** (RS) Work in patt to end, pick up and knit 5 sts—5 sts added. Rep last 2 rows 3 more times. Work 2 more rows, picking up 2 (2, 2, 4, 5) sts at end of each row—108 (118, 118, 132, 134) sts. Side seam has been reached on both sides; do not join. **At the same time**, change needle sizes as foll: change to size 5 (3.75 mm) when edging measures ¼" from shoulder, then change to size 4 (3.5 mm) when edging measures ¾" from shoulder. Work even until edging measures 1 (1, 1¼, 1¼, 1½)" at shoulder, ending with a RS row. Change to size 3 (3.25 mm) needle. BO all sts pwise, working [p2tog] 2 times at top of shoulder as you BO to prevent edging from flaring out. **RIGHT ARMHOLE EDGING:** Work as for left armhole edging, but beg by picking up 33 (38, 38, 43, 43) sts up back armhole to shoulder seam, then 31 (36, 36, 41, 41) sts down front armhole. **BUTTON LOOPS (MAKE 2):** Mark positions of two button loops on WS of right front as foll: one at line of midriff decs, and one at uppermost cable on lower front. Cut a 12" length of yarn and divide plies so that strand is about half as thick. With smaller crochet hook, ch 12. Turn, sl st into each ch. Fasten off. Sew ends to ridge on WS of garment at marked positions, with ends tog to form a loop. Sew 2 buttons to WS of left front to correspond to button loops, such that when garment is buttoned, the buttons are not visible from the RS and the fronts meet flush. Weave in ends.

## NOTES

- 1 This skirt is knit in the round from the top down.
- 2 Choose the size that is closest to the desired hip measurement. The hip measurements used to size this skirt fall about 5½" down from the waistband or natural waist. This skirt can be worn with several inches of positive or negative ease in the waist. The waist is adjusted by customizing the elastic waistband to the individual wearer.
- 3 Change to longer or shorter circular needle as necessary.

## ! customize it

Because this skirt is worked in the round from the top down, its length and rate of increase can be easily altered and customized. If you want a narrower, straighter skirt, omit some of the increases. If you want a wider, fuller skirt, work fewer rounds between the increase rounds, making as many or as few increase rounds as you desire.

## NOTES

• The body of this sweater is worked back and forth in one piece from the lower edge to the underarm, then the upper fronts and back are worked separately. The sleeve cuffs are worked flat and seamed, then stitches are picked up along the cuff edge and the sleeves are worked in the round with the sleeve cap

worked flat. The front edges are curved by the effect of the tighter row gauge of the Pintuck pattern.

• A circular needle is used to accommodate the large number of stitches.

• Slip stitches purlwise with yarn in back (wyb) or with yarn in front (wyf) as indicated.

• When binding off stitches in the Pintuck pattern, treat the 2 slipped stitches as one stitch by knitting them together and then passing the previous stitch over. The stitch counts for the Pintuck pattern bind-offs will reflect the number of stitches consumed in the bind-off.

## NOTES

- The front, back, and sleeves are worked back and forth from the bottom up.
- The front and back are identical. Be-

cause both stitch patterns (garter stitch and k1, p1 rib) are reversible, either side of each piece can be used as the right side. During finishing, the body is sewn so that the right side of the front and the wrong side of the back show on the right side of the sweater. The garter stitch rows meet at the left side seam.

- The rib can stretch at least 10" at the underarm.

## NOTES

❶ The ribbed hems for this pullover are worked flat separately, then joined and the body is worked in the round to the underarm. The sleeves are worked separately in the round. The sleeves and body are joined to work the circular yoke.

❷ Slip stitches purlwise with yarn in back (wyb) on right-side rows and with yarn in front (wyf) on wrong-side rows.

❸ When working the yoke, change to shorter circular needle when there are not enough stitches to fit around longer needle.

## Front

**HEM:** With smaller cir needle, CO 59 (65, 71, 79, 83) sts. Do not join.

**ROW 1 (RS)** Sl 1 (see Notes), \*k1, p1; rep from \* to last 2 sts, k2.

**ROW 2 (WS)** Sl 1, \*p1, k1; rep from \* to last 2 sts, p2.

Rep Rows 1 and 2 until piece measures 2" from CO, ending with a WS row. Break yarn. Place sts on holder and set aside.

## Back

**HEM:** Work as for Front, but do not break yarn. **JOIN HEMS:** Change to larger, longer cir needle. **NEXT RND** K59 (65, 71, 79, 83) back sts, place marker (pm) for side, k59 (65, 71, 79, 83) held front sts—118 (130, 142, 158, 166) sts. Pm and join in the rnd. **BODY:** Work in St st until piece measures 13½ (13½, 14, 14, 14½)" from CO. Remove rnd m. Do not break yarn, leave sts on needle and set aside.

## Sleeves

With smaller dpn, CO 24 (26, 28, 30, 32) sts. Pm and join in the rnd. Work in k1, p1 rib until piece measures 2½" from CO. Change to larger dpn. Knit 4 rnds. **INC RND** K5, yo, knit to last 5 sts, yo, k5—2 sts inc'd. Rep Inc rnd every 5th rnd 7 (8, 9, 9, 9) more times—40 (44, 48, 50, 52) sts. Work even until piece measures 16½ (16½, 17, 17, 17½)" from CO, ending 5 (5, 6, 6, 7) sts before m on last rnd. Place next 10 (10, 12, 12, 14) sts on holder for underarm, removing m—30 (34, 36, 38, 38) sts rem. Place sts on holder.

## tech tip

When you graft the underarm stitches, pick up an extra stitch at each side of the joining inter-sections, thus adding two extra stitches per side of the underarm. Doing so will help close up the unsightly hole that can occur when you graft underarm stitches.

## Yoke

**JOIN BODY AND SLEEVES:** With working yarn and cir needle from body, k5 (5, 6, 6, 7) body sts, then place last 10 (10, 12, 12, 14) sts worked on holder for underarm, knit to 5 (5, 6, 6, 7) sts before side m, place next 10 (10, 12, 12, 14) sts on holder for underarm, removing m, pm, k30 (34, 36, 38, 38) sleeve sts, pm, knit to end of front, pm, k30 (34, 36, 38, 38) sleeve sts—158 (178, 190, 210, 214) sts. Pm and join in the rnd. Rnd m is at back right raglan.

**DEC RND** \*K2tog, knit to 2 sts before m, ssk, sl m; rep from \* 3 more times—8 sts dec'd. Rep Dec rnd every other rnd 1 (1, 2, 2, 2) more time(s)—142 (162, 166, 186, 190) sts rem: 45 (51, 53, 61, 63) sts each for front and back and 26 (30, 30, 32, 32) sts for each sleeve. Shape back neck using short-rows as foll:

**SHORT-ROW 1 (RS)** Knit to m, sl m, k10 (12, 12, 13, 13), wrap next st, turn.

## TWO-COLOR LONG-TAIL CAST-ON (knit & purl)

Make a slipknot with MC and CC and place it on the needle. Place your thumb and index finger between the yarns with CC around the index finger and MC around the thumb; hold the ends between your other fingers and palm. Spread your thumb and index finger to make a V of yarn (Figure 1). The slipknot does not count as a stitch.

**KNIT/CC STITCH:** Beginning at the base of the thumb, slide the needle up through the MC loop on the thumb, bring it over the CC strand going to the index finger, then go back down through the MC loop (Figure 2). Drop the loop off the thumb and, placing the thumb back in the V, tighten the stitch on the needle.

**PURL/MC STITCH:** Bring the needle over and behind the CC loop on the index finger. Beginning at the back of the index finger, slide the needle up through the CC loop on the index finger, then bring it under the MC strand going to the thumb, then go back down through the CC loop (Figure 3). Drop the CC loop off the index finger and, placing the finger back in the V configuration, tighten up the resulting stitch on the needle.

Work a CC stitch then a MC stitch as needed for the desired number of stitches. Remove the slipknot before joining to work in the round; undo the slipknot before weaving in the tails.

REBECCA BUSSINEAU

**FINISHED SIZE** 71" long and 12" wide.

**YARN** Prism Merino Mia (100% superwash merino wool; 190 yd [174 m]/2 oz [57 g]): #701 black (MC) and spice (CC), 4 skeins each.

**NEEDLES** Size 4 (3.5 mm): straight and 40" circular (cir). Adjust needle size if necessary to obtain the correct gauge.

**NOTIONS** Tapestry needle.

**GAUGE** 24 sts and 48 rows = 4" in garter st.

! See the Glossary on page 116 for terms you don't know. For our master glossary, visit [KnittingDaily.com/glossary](http://KnittingDaily.com/glossary).

## NOTES

• This scarf is made with individual triangles which are joined by picking up stitches from the previous triangle to begin the next triangle, forming a strip. Each triangle is made using just one color at a time. The knitting construction of each triangle is the same, making the pattern easy to memorize before you have completed your first strip.

• A circular needle is used for the borders to accommodate the large number of stitches.

# Love *historical* knitting?

## *PieceWork* Historical Knitting 2007-2010 Collection

This collection includes the first four digital editions of *PieceWork* magazine dedicated to historical knitting.

### **JANUARY/FEBRUARY 2007:**

*PieceWork*'s first issue dedicated to historical knitting features colorful mittens perfect for cold and snow, clever knitted bags, a luxurious sweater for a baby, and tips and techniques for two-end knitting.

### **JANUARY/FEBRUARY 2008:**

*PieceWork*'s second annual historical knitting issue features the popular poetry mittens, ancient Arctic knitting techniques, a modern knitted kimono from Ann Budd, and more.

### **JANUARY/FEBRUARY 2009:**

*PieceWork*'s third annual historical knitting issue features Eleanor Roosevelt's love of knitting, tips and techniques to knit a sock in a sock, and instructions to knit Alice Starmore's Capillifolium Baby Bonnet.

### **JANUARY/FEBRUARY 2010:**

Discover fascinating knitters from the past, learn what folks were knitting in medieval London, knit mittens and socks, and enjoy a stitch pattern from Barbara Walker, author of the beloved *Treasury of Knitting Patterns* books.

## NOTES

➤ The body of this pullover is worked in the round to the underarms, then the front and back are worked separately back and forth. Stitches for the sleeves are picked up around the armhole. The sleeve cap is shaped with short-rows, then the sleeve is worked in the round to the cuff.

➤ The chart is worked using the stranded colorwork method. Since fabric in stranded knitting pulls in, a larger needle is used so that the overall circumference of the body remains constant between the stranded and plain sections.

**Knitting Traditions Spring 2014** celebrates historical and modern knitting with inspirational stories, unique projects, and much more.

The eighth edition of *Knitting Traditions* features historical knitting articles and 21 companion knitting patterns that chronicle centuries of profit-oriented knitting throughout the world.

From the Shetland Islands and Halland, Sweden to Renaissance Europe and Peru, this special issue explores corners of time and place that teach us about knitting cottage industries, cooperatives, and communities that have sustained themselves through the craft of knitting.

Celebrate colorwork with Fair Isle, Sanquhar knitting, and more. Knit a Tree of Life Aran vest, a classic piece that stands the test of time. Or, read the knitting diary of a Shetland knitter. This special issue is packed with knitting patterns inspired by the history of knitting that has brought us to today.

## Knitting Gauge

To check gauge, cast on thirty to forty stitches using recommended needle size. Work in pattern stitch until piece measures at least 4" (10 cm) from cast-on edge. Remove swatch from needles or bind off loosely and lay swatch on flat surface. Place a ruler over swatch and count number of stitches across and number of rows down (including fractions of stitches and rows) in 4" (10 cm). Repeat two or three times on different areas of swatch to confirm mea-

surements. If you have more stitches and rows than called for in instructions, use larger needles; if you have fewer, use smaller needles. Repeat until gauge is correct.

## Reading Charts

Unless otherwise indicated, read charts from the bottom up. On right-side rows, read charts from right to left. On wrong-side rows, read charts from left to right. When knitting in the round, read charts from right to left for all rounds.

## Backward-Loop Cast-On

\*Loop working yarn as shown and place it on needle backward (with right leg of loop in back of needle). Repeat from \*.

## Cable Cast-On

If there are no established stitches, begin with a slipknot, knit one stitch in slipknot and slip this new stitch to left needle. \*Insert right needle between first two stitches on left needle ①. Wrap yarn as if to knit. Draw yarn through to complete stitch ② and slip this new stitch to left needle as shown ③. Repeat from \*.

①

②

③

## Crochet Chain St (ch st)

Make a slipknot on hook. Yarn over hook and draw it through loop of slipknot. Repeat, drawing yarn through the last loop formed.

## Knitted Cast-On

Place slipknot on left needle if there are no established stitches.

\*With right needle, knit into first stitch (or slipknot) on left needle ① and place new stitch onto left needle ②. Repeat from \*, always knitting into last stitch made.

## Kitchener Stitch (St st Grafting)

**Step 1:** Bring threaded needle through front stitch as if to purl and leave stitch on needle.

**Step 2:** Bring threaded needle through back stitch as if to knit and leave stitch on needle.

**Step 3:** Bring threaded needle through first front stitch as if to knit and slip this stitch off needle. Bring threaded needle through next front stitch as if to purl and leave stitch on needle.

**Step 4:** Bring threaded needle through first back stitch as if to purl (as illustrated), slip this stitch off, bring needle through next back stitch as if to knit, leave this stitch on needle.

Repeat Steps 3 and 4 until no stitches remain on needles.

## Long-Tail Cast-On

Leaving a long tail (about ½" [1.3 cm] to 1" [2.5 cm] for each stitch to be cast on), make a slipknot and place on right needle. Place thumb and index finger of left hand between yarn ends so that working yarn is around index finger and tail end is around thumb. Secure ends with your other fingers and hold palm upward, making a V of yarn ①. Bring needle up through loop on thumb ②, grab first strand around index finger with needle, and go back down through loop on thumb ③. Drop loop off thumb and, placing thumb back in V configuration, tighten resulting stitch on needle ④.

## Make 1 (M1) Increases

**Left Slant (M1L) and Standard M1**

With left needle tip, lift strand between needles from front to back ①. Knit lifted loop through the back ②.

**Right Slant (M1R)**

With left needle tip, lift strand between needles from back to front ①. Knit lifted loop through the front ②.

**Purl (M1P)**

For purl versions, work as above, purling lifted loop.

## Lifted Increase (RLI, RLPI, LLI, LLPI)

**Right (RLI)**

Knit into the back of stitch (in the "purl bump") in the row directly below the stitch on the left needle.

**Purl (RLPI)**

Purl into the back of stitch in the row directly below the stitch on the left needle.

**Left (LLI)**

Insert left needle from front to back into the stitch below stitch just knitted.

Knit this stitch.

**Purl (LLPI)**

Purl into the stitch below the stitch just purled.

## Mattress Stitch Seam

With right sides of knitting facing, use threaded needle to pick up one bar between first two stitches on one piece ①, then corresponding bar plus the bar above it on other piece ②. \*Pick up next two bars on first piece, then next two bars on other ③. Repeat from \* to end of seam, finishing by picking up last bar (or pair of bars) at the top of first piece.

## Pom-Pom

Cut two circles of cardboard, each  $\frac{1}{2}$ " (1.3 cm) larger than desired finished pom-pom width. Cut a small circle out of the center and a small edge out of the side of each circle ①. Tie a strand of yarn between the circles, hold circles together and wrap with yarn—the more wraps, the thicker the pom-pom. Cut between the circles and knot the tie strand tightly ②. Place pom-pom between two smaller cardboard circles held together with a needle and trim the edges ③. This technique comes from *Nicky Epstein's Knitted Embellishments*, Interweave Press, 1999.

## Provisional Cast-On

Place a loose slipknot on needle held in your right hand. Hold waste yarn next to slipknot and around left thumb; hold working yarn over left index finger. \*Bring needle forward under waste yarn, over working yarn, grab a loop of working yarn ①, then bring needle to the front, over both yarns, and grab a second loop ②. Repeat from \*. When you're ready to use the cast-on stitches, pick out waste yarn to expose live stitches.

## Short-Rows (Knit Side)

Work to turning point, slip next stitch purlwise ①, bring the yarn to the front, then slip the same stitch back to the left needle ②, turn the work around and bring the yarn in position for the next stitch—one stitch has been wrapped and the yarn is correctly positioned to work the next stitch. When you come to a wrapped stitch on a subsequent knit row, hide the wrap by working it together with the wrapped stitch as follows: Insert right needle tip under the wrap from the front ③, then into the stitch on the needle, and work the stitch and its wrap together as a single stitch.

## Short-Rows (Purl Side)

Work to the turning point, slip the next stitch purlwise to the right needle, bring the yarn to the back of the work ①, return the slipped stitch to the left needle, bring the yarn to the front between the needles ②, and turn the work so that the knit side is facing—one stitch has been wrapped and the yarn is correctly positioned to knit the next stitch. To hide the wrap on a subsequent purl row, work to the wrapped stitch, use the tip of the right needle to pick up the wrap from the back, place it on the left needle ③, then purl it together with the wrapped stitch.

## Single Crochet (sc)

Insert hook in stitch, yarn over and pull a loop through stitch ①, yarn over and draw through both loops on hook ②.

## Slip Stitch (sl st)

\*Insert hook in stitch, yarn over and draw loop through stitch and loop on hook. Repeat from \*.

## Sssk (Double Decrease)

Slip three stitches knitwise one at a time. Insert point of left needle into front of three slipped stitches and knit them together with right needle—three stitches reduced to one.

## Ssp (Single Decrease)

Holding yarn in front, slip two stitches knitwise one at a time onto right needle ①. Slip them back onto left needle and purl the two stitches together through back loops ②.

## Sssp (Double Decrease)

Holding yarn in front, slip three stitches knitwise one at a time to right needle. Slip them back onto left needle and purl the three stitches together through the back loops—three stitches reduced to one.

## Three-Needle Bind-Off

Place stitches to be joined onto two separate needles. Hold them with right sides of knitting facing together. Insert a third needle into first stitch on each of the other two needles and knit them together as one stitch. \*Knit next stitch on each needle the same way. Pass first stitch over second stitch. Repeat from \* until one stitch remains on third needle. Cut yarn and pull tail through last stitch.

## AMPLIFY your creativity.

*The Bagsmith offers two versions of its Big Stitch yarn—a merino and an alpaca-wool blend. This yarn is beyond super bulky—work with size 50 (25 mm) needles and a gauge of three to four stitches per 4 inches (10 cm)! The Bagsmith offers these United States-made yarns, as well as size 50 (25 mm) wooden needles, handmade in Ohio and available in three lengths.*

*The Big Stitch yarns are packaged to prevent spilling in the bump, and retail for around \$150 per bump. One bump weighs three pounds (about 1.4 kilograms) and provides enough yarn for a rug or capelet. Many patterns are available.*
